

# NESD Driver Education Program

Welcome to Driver Education Spring 2022. **Classes are open to all students 15 or older prior to July 31, 2022.** To remain enrolled in the program, students must complete class and 6 hours of driving. Due to the need for current student drives taking place from 9am-5pm daily, I will not be able to offer in person classes. Classes will be online through Google Classroom so **you must have access to a computer with a camera and microphone.** All classes will take place from 6:30-8:30 pm on the dates listed below.

Students for this class will be considered next year's driving students as there is not time to complete driving prior to June 30. This is an opportunity to get a learner's license and class to be ready to begin driving in fall 2022.

If you cannot attend **ALL** classes, you must enroll in a class next fall.

You can always write your learners test at SGI on your own and enroll in a class that fits your schedule. You will need a signature form, which is available below.

**\*\*\*\*Please note that some forms can only be accessed by a student's NESD account. They can log into Google with their account.**

## Registration Form

To register for Driver Education, please complete the online registration form and submit it. If you have any questions, please contact Marcia at [phillips.marcia@nesd.ca](mailto:phillips.marcia@nesd.ca).

## Signature Form

This is a direct link to the SGI Signature Form/Guarantor Form for First Time Drivers and can be filled out on the computer, printed then signed. PLEASE PRINT A COPY TO TAKE TO SGI.

**\*\*Make sure to write down your username and password and have them available when you start your in-class sessions, as you need them to write the exams.**

## Enrollment Form

**To confirm enrolment in a class, complete and submit the enrolment form with a copy of your SGI ID Card (paper or plastic copy). Priority will be given by age.**

Classes are set up in order of registration, provided the student is old enough. Students must be 14 years and 9 months to write the test. Students that are too young for the class will be moved to the next appropriate class. Priority will be given to older students.
